

CHALLENGES OF FAITH IN TODAY'S SOCIETY

The Federation of Redbridge Muslim Organisations (FoRMO) in partnership with Redbridge Faith Forum (RFF) invite you to an Evening of Interfaith Dialogue.

We have assembled an interesting panel of speakers to express their views and time to have your say about some of the current challenges to people of faith, to include topics such as:

Does secularism affect our lives? Is following a religion seen as not being "cool"? Do you think there is less tolerance?

Come and have your say on:
